

CLIMATE

- The north of New Zealand is subtropical and the south temperate.
- New Zealand has four distinct seasons each with its own highlights.
- Spring (September- November)
- Summer (December – February)
- Autumn (March – May)
- Winter (June – August)
- Average max temperature between 20-30°C in summer and between 10-15°C in winter
- **Honeymooners can come anytime as Climate doesn't matter for them anyway!!!!**
